TRUE IDENTITY WOMEN'S EMPOWERMENT SEMINAR

TAKE BACK YOUR LIFE

BECOMING A WOMAN WHO KNOWS HER TRUE IDENTITY

Loss. Pain. Trouble. Addiction. Abuse. Life-threatening illness. Too many near-death experiences to list. On many a dark and lonely night, God was the only faithful friend to this little girl from the small city of Coatesville, PA. But He was more than enough to turn this battle-proven underdog into the thriving Christ-follower, wife, mother, women's wellness advocate, speaker, coach, best-selling author, entrepreneur, and overcomer that she is today. With nearly two decades of personal, professional, and ministry experience, Shayla ranks among the very best at helping other women pinpoint spiritual and emotional roadblocks, change their self-sabotaging inner dialogue, exchange unhealthy for healthy coping mechanisms, set and achieve consequential goals, and boldly embrace their **TRUE Identity** as precious royal daughters of Christ our King.

Her story will move you. But the priceless principles, lessons, and strategies she shares will transform you.

When your group or event needs a powerful message to inspire, equip, and empower women to embrace their **TRUE Identity** and thrive, there's only one choice. Choose Shayla for a refreshing "no frills," value-rich, high-impact experience for your audience!
